

FINANCIAL SUPERVISORY COMMISSION
CURRENT REPORT NO. 33/2023

Name of entity:

Fabryka Obrabiarek RAFAMET S.A.
in Kuźnia Raciborska

Date of preparation:

14-07-2023

Theme:

Conclusion by the subsidiary company ODLEWNIA RAFAMET Sp. z o.o. of an annex to the agreement on co-financing a research and development project with the National Research and Development Centre.

Message:

The Management Board of Fabryka Obrabiarek RAFAMET S.A. in Kuźnia Raciborska announces that today it has become aware of the fact that on 13.07.2023 the National Research and Development Centre signed an annex to the agreement with its subsidiary ODLEWNIA RAFAMET Sp. z o.o. for co-financing by NCBR of the implementation of the project entitled: "Development of an innovative technology for the production of large-size spheroidal cast iron with special properties in the Full Mould technology dedicated to the production of stamping tools for the automotive sector"."Development of an innovative technology for the manufacture of large-size spheroidal cast iron castings with special properties in the Full Mould technology, dedicated to the manufacture of stamping tools in the automotive sector" under competition no. 1/1.1.1/2020 Fast Track. By virtue of the annex, the amount of NCBR funding for the project was reduced from PLN 7.481.798,13 to PLN 7.424.800,38. The value of the entire project has not changed and amounts to PLN 17.898.387,50.

The Issuer informed about the NCBR funding agreement for the ODLEWNI RAFAMET Sp. z o.o. project in current report no. 32/2020 of 16.09.2020 and current report no. 22/2023 of 26.05.2023.
