Name of entity:

**Fabryka Obrabiarek RAFAMET S.A.  
in Kuźnia Raciborska**

Date of submittal:

**04-05-2022**

Subject:

**Conclusion of contracts with company Polski Tabor Szynowy Sp. z o.o. from Katowice.**

Message:

**Management Board of the RAFAMET S.A. Machine Tool Factory informs that today between the Issuer (Seller) and Polski Tabor Szynowy Sp. z o.o. (Buyer) (40-955 Katowice, ul. Lompy 14/205) two contracts were concluded for the sale of a numerically controlled wheel lathe for machining of wheelsets UBF 112N and the sale of numerically controlled center and chuck lathe for machining of wheelsets TCG 135N. The total value of the contracts is PLN 7.090.500,00 (the purchase price of the first machine is PLN 3.590.500,00 while the second machine is PLN 3.500.000,00).**

**The seller undertakes to deliver, assemble, commission and train the operation of the UBF 112N lathe by 07/12/2022, and the TCG 135N lathe by 13/10/2023. The remaining conditions, including the amount of contractual penalties, do not differ from generally accepted principles in this type of commercial transactions.**

**The total value of the above orders exceeds the materiality threshold adopted by the Issuer for this type of event, set at the level of 7.5% of the equity of the Issuer's Capital Group as disclosed in the recently published periodic report.**

Legal basis:

**Article 17, Item 1 MAR– confidential information.**
